In Re: Application/Control Number: 09/135,504

Technology Center 2600

Dear Draftsman:

I have been directed to submit this letter in accordance with MPEP section 608.02(r) of amendment to my drawings of Figures 8-12 having numerous and/or cumbersome hand written information objected to by the examiner of a detailed action requiring correction of the defects thereof.

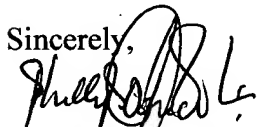

Please be advised that the current drawings of pen-and-ink sketch shown in red ink are amended drawings made in accordance with MPEP section 608.02(v) requiring correction of the defects cited by the primary examiner, Mr. Grant in his detailed action of January 8, 2001.

There are no new subject matter. The cited defects have been removed accordingly of a simplified information in red ink shown on figures 8-12.

If you have any questions regarding the amended sketch, please call me at (718) 978-7078 or at (917) 972-8146.

Thanks.

Sincerely,

Phillip Igbinadolor
